

Photography: Lynsey Addario

Photography: Brian Steidle

DARFUR/DARFUR is a traveling exhibit of digitally-projected changing images that provide visual education about the richly multi-cultural region while exposing the horrors of the ongoing humanitarian crisis.

The event will present photographs taken in Darfur by former U.S. Marine Brian Steidle and photojournalists Lynsey Addario, Mark Brecke, Helene Caux, Ron Haviv, Paolo Pellegrin, and Michal Safdie, accompanied by traditional Sudanese music.

October 14, 2006
